About the City of Grand Blanc

The City of Grand Blanc is the most vibrant, dynamic community in mid-Michigan. The residents are very community oriented and strive for the inclusion of every individual. Grand Blanc City is proud of their small town, friendly atmosphere. Residents are fortunate to have access to many services and programs available. Parks and Recreation activities, Senior Citizen services, McFarlen Public Library programs and Community Education courses are available to satisfy many diverse interests. The City also hosts many events for all ages.

Grand Blanc offers the residents, businesses, and visitors a truly unique place to [live, work, learn and play](#). The City has many local, small businesses, which are key to the economy, fostering job creation, innovation and economic diversification. The Grand Blanc Farmers Market sets up in the downtown area, another way to foster the local economy. The City of Grand Blanc is ready to accommodate entrepreneurs and industries of all sizes.

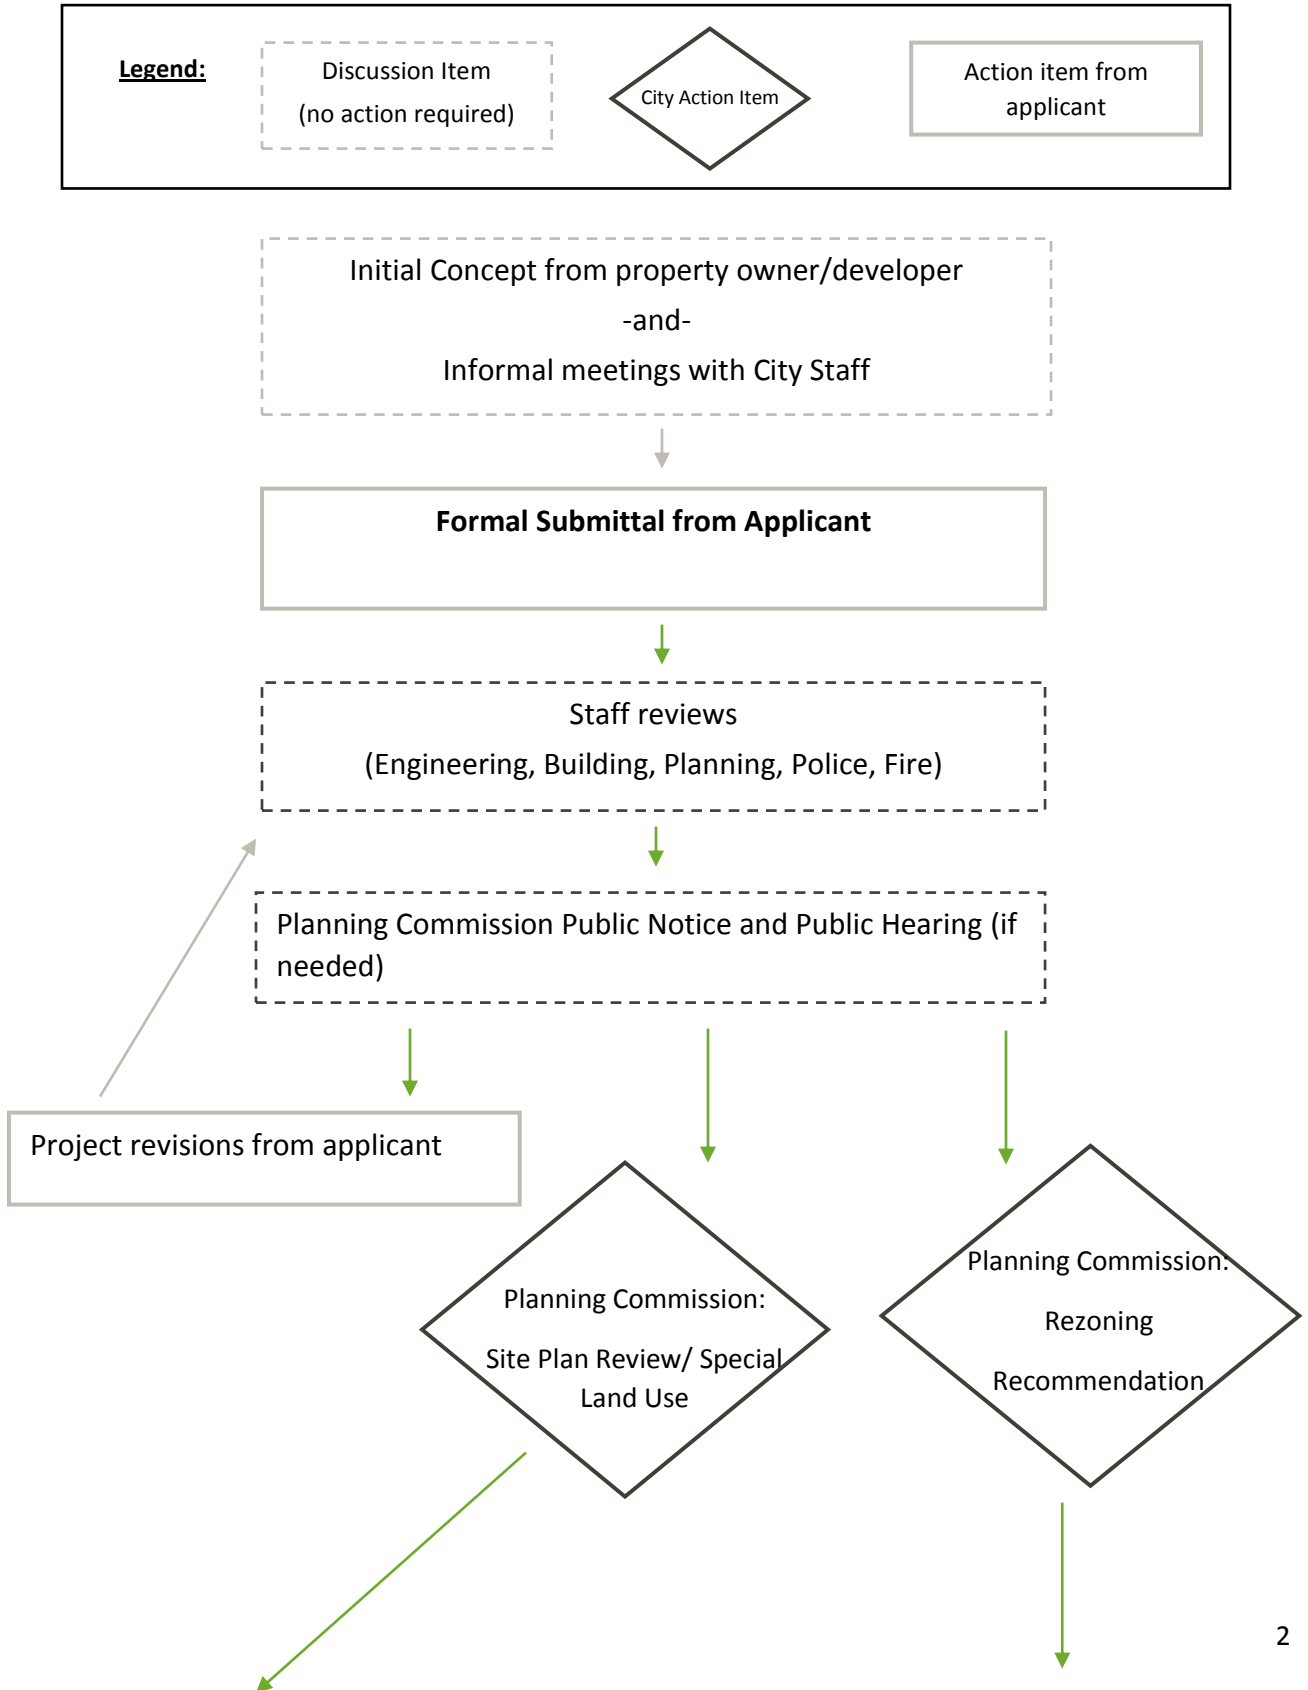

Located in Michigan's Lower Peninsula, Grand Blanc has a rich and diversified [history](#). Grand Blanc adopted its City Charter on March 4, 1930. The City is currently served by an appointed City Manager, an elected Mayor and six elected Council Members.

The City's 8,000+ full-time residents have chosen a safe, comfortable community where new ideas are encouraged, parks are kept clean, and the entrepreneurial spirit is supported. Thank you for joining us.

About the Development Guide

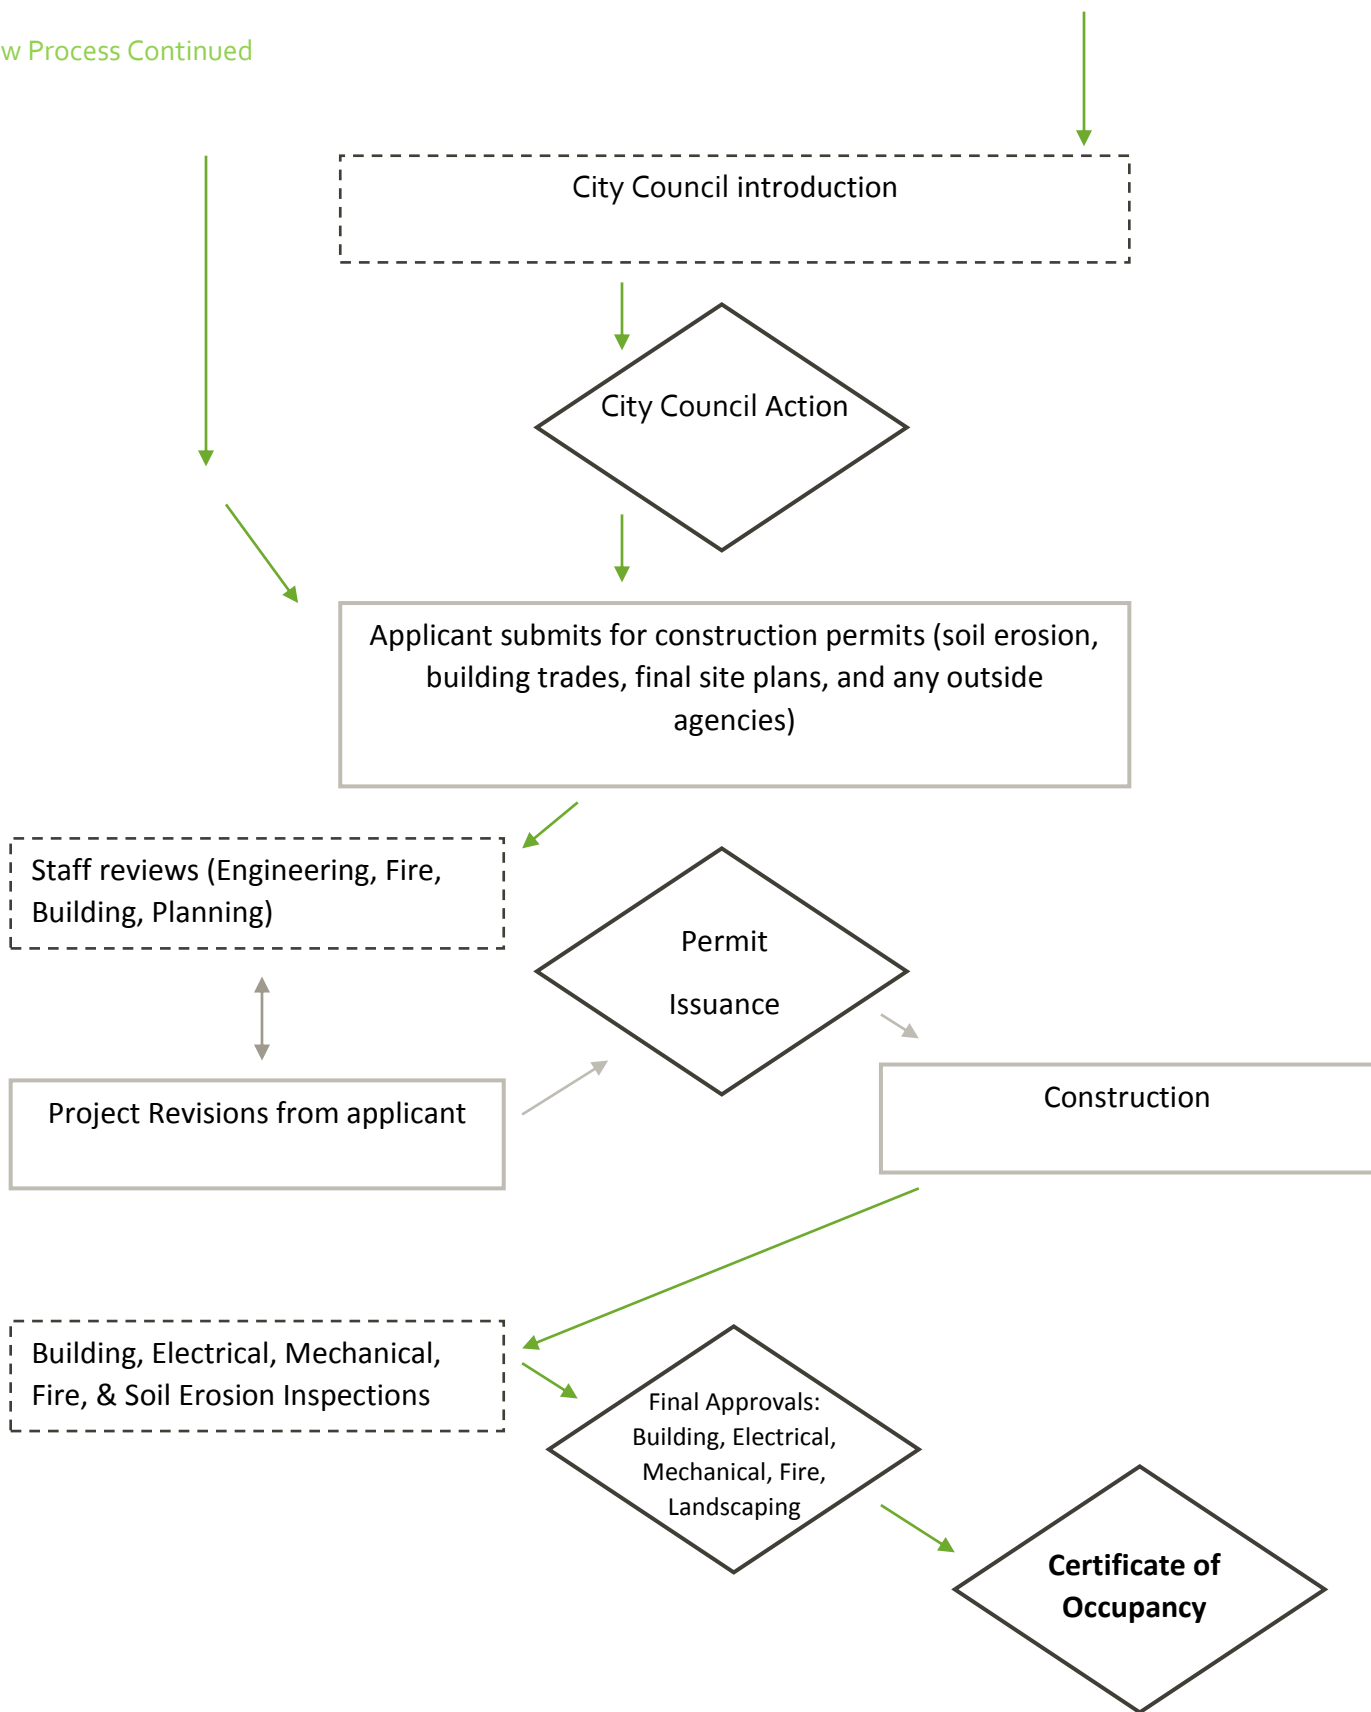

This guide provides a general overview of the City of Grand Blanc's development approval process. It is meant to help residents, developers, investors, and others understand the review and approval process for any size project from concept through occupancy. Consultation with staff and/or outside professionals is recommended for most projects. You can also learn more online at www.cityofgrandblanc.com.

Master Plan

[Click here to view the City's Master Plan.](#)

[Click here to view the City's Future Land Use Map.](#)

[Click here to view the City's Downtown Development Plan.](#)

The Master Plan is the primary tool for making decisions that affect the future land use of the community. It is a broad-based policy document for the physical, economic and social development as it relates to land use and has a long-range vision providing a coordinated approach to making important decisions. The current Master Plan will be adopted in 2018.

Zoning Ordinance / Map

[Click here to view the City's Zoning Ordinance.](#)

[Click here to view the City's Zoning Map.](#)

[Click here to view the City's Downtown Design Manual.](#)

The zoning ordinance regulates the use and development of land within the City of Grand Blanc. Standards are in place that apply both citywide and in each specific zoning district. You are encouraged to review the zoning ordinance and consult with staff before initiating any change of use or construction project within the City.

Incentives

[Click here to learn more about development incentives.](#)

A variety of development incentives may be available for your project. The City has two tax increment financing authorities (TIFAs), a Brownfield and DDA Plan, and other opportunities to help make your project a reality.

Notification Procedures

The City of Grand Blanc meets or exceeds the notification requirements of the Michigan Zoning Enabling Act (P.A. 110 of 2008, as amended).

The City of Grand Blanc publishes notices in the Grand Blanc View (<http://grandblancview.mihomepaper.com>) and mails notices to all persons owning property and occupants of property within 300 feet of the boundary of the property for which approval is requested at least fifteen (15) days before the hearing.

For applications which require a public hearing, the City will require you to place a zoning notification sign at the subject property up to fifteen (15) days before the hearing. Failure to post the notice sign may result in postponement of your application by the Planning Commission. The Planning and Community Development Department will notify you of signage requirements at submittal.

Land Use Applications

This section is designed to provide a comprehensive overview of each type of land use application. This overview does not preempt or supersede any regulations contained within the City of Grand Blanc Zoning Ordinance.

Most land use applications are circulated to other reviewers outside of Planning and Community Development for comment.

The table below demonstrates the role of the various review entities regarding the approval of the various Planning/Zoning Applications outlined in this document.

Zoning Compliance

Prior to considering any alterations to an existing structure or use, you are strongly encouraged to consult with the Planning and Community Development Department to confirm that the structure and/or use proposed conform to the requirements of the zoning ordinance. Upon request, the City will provide a Zoning Compliance letter.

Pre-Application Meeting

A pre-application meeting with City staff is required prior to submitting any application to the Planning Commission. At this meeting, staff from Planning, Public Works, Fire, and Building Safety will provide a preliminary review of a site plan, explain zoning requirements, and discuss project timelines. Pre-application meetings often address circumstances that would otherwise result in an application being postponed. Depending on the project scope and timing, multiple pre-application meetings may be necessary. Please call (810) 694-1118 or email BBorden@safebuilt.com to schedule an appointment.

Special Meeting Procedure

If the need arises for a special meeting, please email the City Clerk to make your request. If it is deemed necessary, accommodations will be made at the cost to the applicant.

Development Survey

The City of Grand Blanc values your feedback. In an attempt to stream line our process, we have developed a survey. Please, take the survey at your convenience.

Site Plan Review

[Click here to review the Site Plan Review application.](#)

[Click here to review Article XXIV \(*Site Plan Review and Approval*\) of the zoning ordinance.](#)

Site Plan Review and approval of all development proposals is required to ensure that the City of Grand Blanc develops in an orderly fashion in accordance with the zoning ordinance and Master Plan. It is recommended that all potential applicants consult with the Planning and Community Development Department regarding compliance with the zoning ordinance. Most applications for site plan review are reviewed and approved by the Planning Commission.

Administrative Site Plan Review: Less complex site plans and minor modifications may be eligible for consideration for administrative approval. In accordance with Section 2403 of the zoning ordinance, the City may review and approve applications for site plan review for projects, except for those associated with a special use permit application or requiring waivers or use determinations. Requests for administrative review should be discussed with the City Planner prior to submittal.

The City reserves the right to take all site plan applications before the Planning Commission for consideration.

Revised Site Plans: A request to revise, modify or change an approved site plan shall be treated as a new application. Any changes to an approved site plan should be discussed with the City Planner prior to implementation.

Time Limit of Approval and Work Completion: Site Plan approval is valid for one year from the date of approval. Extension requests shall be made in writing to the Planning and Community Development Department prior to approval expiration and may require the review of the Planning Commission.

Appeals: If a site plan review application is denied, the decision may be appealed to the Zoning Board of Appeals. Application must be made within 30 days of the decision. Applications should be submitted to the Building Safety Department. [Click here](#) to read more about filing an appeal.

Site Plan Review Timeline

Step	Description	Timing
Pre-Application Meeting	See “Pre-Application Meeting” earlier in this document.	Prior to application submittal.
Application Submittal	Applicants shall submit an application for Site Plan Review to the Planning and Community Development Department. The information required for Site Plan Review is listed on the application form.	Generally, the first Monday of the month to guarantee placement on the following Planning Commission Agenda. Click here to view the current meeting schedule.
Review	Upon receipt of a complete application, staff and outside agencies, as applicable, will provide a review and recommendation on the Site Plan based upon the requirements of the zoning ordinance and other applicable standards. Staff will also determine if the application is eligible for administrative approval.	Generally, 15 days after submittal, reviews are completed.
Approval	Upon determination of staff and/or the Planning Commission that the Site Plan is or is not in conformance with the standards of the zoning ordinance, the Site Plan shall be granted approval, approval with conditions, or denial. All conditions imposed on approval must be resolved in order to receive final site plan approval and prior to making application for building permits.	Planning Commission Review: Generally, the third Monday of the month (3-4 weeks after submittal). Administrative Review: Generally, 1-2 weeks after submittal.
Building/Various other required Permits	Application may be made for all necessary building permits with the Building Department and Department of Public Works.	Within one year of site plan approval.

Special Use Permits

[Click here to review the Special Use Permit application.](#)

[Click here to review Article XXI \(*Special Land Use Permits*\) of the zoning ordinance.](#)

A land use designated as a 'special use' in a particular zoning district is one that, because of its inherent nature, extent, or external effects, generally is not permitted in the district but could be if subject to standards and restrictions to ensure the use is located, designed, and operated in a manner harmonious with neighboring development and does not adversely affect the public health, safety, and general welfare. No special land use is permitted without a Special Use Permit issued in accordance with the zoning ordinance.

All applications for special use permits (and associated site plan reviews) are reviewed and approved by the City Council.

Appeals: If a special use permit is denied, the decision may be appealed to the Zoning Board of Appeals. Application must be made within 30 days of the decision. Applications should be submitted to the Building Safety Department. [Click here](#) to read more about filing an appeal.

Special Use Permit Timeline

Step	Description	Timing
Pre-Application Meeting	See " Pre-Application Meeting " earlier in this document.	Prior to application submittal.
Application Submittal	Applicants shall submit Special Use Permit application to the Planning and Community Development Department. The information required for a Special Land Use review is listed on the application form. Many Special Use Permit applications also require submittal of a Site Plan Review application; please check with the Planning and Community Development Department regarding your proposed use.	Generally, the second Monday of the month. Click here to view the current schedule.
Notice of Public Hearing	Upon receipt of a complete application, staff will make proper notification of the meeting. The applicant is responsible for posting a zoning notification sign(s) on the subject property.	At least 15 days before the hearing.
Review	The City Planner (and other staff as appropriate) will provide a review and recommendation based upon the required standards and findings outlined in the zoning ordinance. This review and recommendation will be presented during the public hearing being conducted at the City Council meeting.	Typically, 15 days from submittal
Public Hearing & Approval	Upon receiving the staff report and conducting a public hearing, the City Council will approve, approve with conditions, or deny the Special Use Permit. The City Council may postpone action on the application if it is determined that additional information is needed from the applicant that would help address the standards of the zoning ordinance. All conditions imposed on approval must be resolved in order to receive final Special Use Permit approval and make application for building permits.	Generally, the first Monday of the month (3-4 weeks after submittal).
Permit	Will be issued immediately upon approval	
Building/ Various Other required permits	Application may be made for all necessary building permits with the Building Safety Department and Division of Public Works.	Within one year of site plan approval.

Zoning Amendments

[Click here to review the Rezoning / Conditional Rezoning application.](#)

Zoning divides land into categories according to their use and sets regulations for these categories. When a property owner wants to use land in a way that is not permitted by the zoning of the property, the owner must request to rezone the property to a classification which permits the desired use. A rezoning is a legislative process that will amend the zoning map and/or text of the zoning ordinance. The City Council (with recommendation from the Planning Commission) has the authority to approve or deny rezoning requests.

The City Council may of its own motion, or upon petition by the owner(s) of a property proposed for rezoning, prepare an ordinance amending or changing the district boundaries or the district regulations.

Zoning Amendment Timeline

Step	Description	Timing
Pre-Application Meeting	See “Pre-Application Meeting” earlier in this document.	Prior to application submittal.
Application Submittal	The applicant shall submit the required information to the Planning and Community Development Department.	Generally, by the first Monday of the month to guarantee placement on the following Planning Commission Agenda. Click here to view the current schedule.
Notice of Public Hearing	Upon receipt of a complete application, staff will make proper notification of the meeting. The applicant is responsible for posting a zoning notification sign(s) on the subject property.	At least 15 days before the hearing.
Review	Staff will provide a review and recommendation regarding the rezoning request based upon the City’s Master Plan, Future Land Use map, and other relevant planning documents.	Typically, 15 days from submittal.
Planning Commission Public Hearing & Recommendation to the City Council	The Planning Commission will receive the staff report and conduct a public hearing. The Planning Commission will make a recommendation to the City Council to approve, approve with conditions, deny or postpone the rezoning request.	Generally, the third Monday of the month (3-4 weeks after submittal).
City Council Public Hearing & Action	Upon receiving a recommendation from the Planning Commission, the City Council will either set a public hearing on the proposed rezoning to be held at a subsequent meeting or remand the proposed amendment back to the Planning Commission for further consideration. Following the public hearing, the City Council will take action to approve, deny or postpone the rezoning request.	Generally, 3-4 weeks after Planning Commission recommendation is received.
City Council Approval	Once the City Council approves the amendment to the zoning ordinance, a Notice of Amendment will be published within fifteen (15) days in the local newspaper.	Effective 30 days after approval by City Council.

Zoning Variances and Appeals

[Click here to review the Appeal application.](#)

[Click here to review the Variance application.](#)

[Click here to review Zoning Ordinance.](#)

The Zoning Board of Appeals (ZBA) is the legislatively appointed body that can permit variances from the zoning ordinance. The most common variances are dimensional such as lot area and width, building height, bulk regulations, setbacks, and off-street parking and loading requirements. The Zoning Board of Appeals can also consider special uses of land and hear and decide questions that arise in the administration of the zoning ordinance, including the interpretation of zoning maps and zoning language. An applicant or any other aggrieved party may file an application to the ZBA.

In granting a variance, the board may grant a lesser variance or specify, in writing, conditions regarding the location, character, landscaping, or other treatment that will, in the board's judgment, be reasonably necessary to the furtherance of the intent of the zoning ordinance and the protection of the public interest. The breach of any condition shall automatically invalidate the permit granted.

Each variance granted under the provisions of the zoning ordinance becomes null and void after one year from the date of granting unless the construction or occupancy authorized by such variance or permit has commenced and is being pursued diligently to completion.

The Zoning Board of Appeals may grant an extension for a period not to exceed one year for an approved variance. The applicant must request an extension in writing to the Zoning Board of Appeals prior to the expiration date of the original approval. The ZBA will determine if the relevant facts of the appeal have or have not significantly changed. If the Board determines that relevant facts have changed significantly, the request shall be treated as a new appeal and processed according to the provisions of the zoning ordinance.

After a variance has been denied in whole or in part by the board, then no application shall be resubmitted for a period of one year from the date of the last denial; provided, however, that a denied variance may be reconsidered by the board when, in the opinion of the Building Official or ZBA, newly discovered evidence or changed conditions warrant such reconsideration.

Zoning Board of Appeals Timeline

Step	Description	Timing
Application Submittal	The applicant shall submit the required information to the Building Safety Department.	Generally, the first Monday of the month. Click here to view the current schedule.
Notice of Public Hearing	Upon receipt of a complete application, staff will make required notification of the meeting.	At least 15 days before the hearing.
Review	Staff will provide a review and recommendation based upon the required standards and findings outlined in the zoning ordinance.	Typically, 15 days after submittal.
Public Hearing & Zoning Board of Appeals Decision	Upon hearing staff’s review and conducting the public hearing, the ZBA shall approve or deny the variance and/or appeal. The decision will be accompanied by a finding of fact explaining the basis for the decision.	Generally, the fourth Wednesday of the month (3-4 weeks after submittal).

Residential Construction Projects

[Click here to learn more about building permits.](#)

To learn more about projects involving single- and two-family homes please consult our building project guide below. Please note that new construction of a two-family dwelling or conversion of a single-family dwelling to a two-family dwelling requires approval of a special use permit by the Planning Commission.

Commercial Construction Projects

[Click here to review the Building Permit applications.](#)

[Click here for the Building Permit Fee Schedule.](#)

Commercial projects, including multiple-family and non-family residential housing, require design documents prepared by a licensed architect or engineer.

All required zoning approvals must be obtained prior to application and issuance of any building permits.

Please note that the Grand Blanc Fire Department requires all contractors to submit plans for review of all sprinkler systems, fire detection and alarm systems, and gas suppression or dry chemical systems and that these plans and inspections may be conducted by a third party at the expense of the applicant.

- Step 1.** Application Submission: The following items should be included in the permit application:
- *Checklist* - A checklist shall be completed for the project to identify other permits and/or approvals required as part of the construction project.
 - *Permit Application* (Building, Zoning & Demolition)
 - An application shall be completed based on the proposed project, i.e. Building, Zoning or Demolition.
 - Applicant shall complete section IX of the Building Permit application for all construction projects consistent with the information noted on the construction plans.
 - A detailed site plan shall be provided as prescribed in the permit application. Projects requiring formal site plan review before the Planning Commission (Rooming Dwellings, RSO Dwellings, Apartment Buildings, Commercial Buildings

and Industrial projects) shall receive approval prior to making application for a building permit. A copy of the approved site plan shall accompany the permit application. Questions regarding exception to this requirement should be directed to the City Planner or the Building Official.

- The Application shall be signed and dated by the property owner and the agent.
- *Application Fee* - For the purpose of calculating a permit fee, the applicant shall provide the value of all construction work, including all finished work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire extinguish systems, landscape, and other permanent work or equipment.
- *DPW Approvals* - Copies of approval for work in the ROW, Water and Sewer tap-in and the storm water permit issued by the DPW shall be provided as part of the submittals on the project (Refer to Checklist).
- *Driveway Permits* - Copies of the DPW permit/s authorizing work within the City's right-of-way shall be provided for all new and/or altered driveways. Where access is planned out of the site to a County or MDOT right-of-way, permits shall be secured from those agencies and copies shall be included as part of the submittals on the project.
- *Construction Plans - 2 Sets*
 - Plans to bear the seal & signature of the registered design professional in charge
 - Architectural and structural plans
 - Electrical, Plumbing and Mechanical plans
 - Plans to denote "Deferred Submittals", i.e., Fire Alarm, Sprinkler, Hood Systems, etc.
 - Statement of Special Inspection to be provided per Chapter 17 of the MBC
 - Soils Report per Chapter 18 of the MBC
 - Verification the project complies with the State Energy Code
 - Design loads with structural calculations shall be provided
 - Truss Drawings to be filed with permit when applicable
 - Specifications shall be provided with construction plans
- *Soil Erosion and Sedimentation Control* - A permit is required where the project involves an earth change within 500 feet of a river, open drain or disturbance of more than one (1) acre of land.
- *Other Permits* - Where the project involves approval from the State of Michigan for work involving a Wetland or a Floodplain, copies of the permits from the MDEQ shall be filed with the civil drawings for the project. A copy of the Soil Erosion

permit, issued by Isabella County, along with a copy of the approved soil erosion plan for the project shall also be filed with the Building Safety Department.

All information noted above shall be submitted with the Building Permit Application and all forms shall be filled out completely.

Step 2. Plan Review:

- The permit application and required submittals will be made part of the plan review process.
- Staff will route copies of the construction plans/details to and Fire Department for their reviews.
- Deferred submittals involving fire safety systems (sprinkler, fire alarm, specialty systems) or commercial kitchen exhaust hoods require separate reviews through the Fire Department. Questions regarding those reviews may be directed to Fire Inspector Christopher Keller at (810) 694-7211.
- The Architect of record and the applicant will be notified if information provided does not meet the building code requirements and/or zoning regulations, along with requests for additional information when necessary.
- Once approved, the stamped copy of the approved plans shall be maintained on site and available to the inspector throughout construction (MBC 107.3.1).
- Any changes in the approved plan shall be resubmitted to the Building Official for approval prior to the change.
- All required inspections will be outlined on the final plan review issued by the Building Department to be used in conjunction with the approved plans.
- Incomplete applications will be returned to the applicant.
- Electrical, Plumbing, and Mechanical Permits (trade) permits and/or questions regarding their reviews shall be made to the City of Grand Blanc.

Step 3. Permit Issuance:

- Staff will contact the applicant to advise them when the permit is ready.
- Building Permit fees are due at the time of issuance.
- Permit fees can be paid by cash, credit card, debit card, or check.

Step 4. Construction Site:

- The building permit shall be posted on site and maintained throughout the project until a certificate of occupancy is issued (MBC 105.7).

City of Grand Blanc Development Guide

- The address shall be posted with the permit and visible from the street
- The stamped copy of the approved plans shall be maintained on site and available to the inspector throughout construction (MBC 107.3.1).
- All work shall be installed in accordance with the approved plans and code requirements.
- Streets shall be maintained free and clear of mud and/or construction debris.
- Excavations shall be secured during all times when construction staff is not present.
- Construction may only occur between 8am to 8pm.
- MISS DIG must be contacted at 811 or www.missdig.org at least 3 business days prior to any digging or excavation. Locate requests are valid for 21 days.
