DEVELOPMENT AUTHORITY

CITY OF GRAND BLANC DOWNTOWN DEVELOPMENT AUTHORITY

The City of Grand Blanc Downtown Development Authority (DDA) is excited to sponsor and support the City's upcoming first Tuesday Tunes event on June 28, 2016.

This event was planned as a way for downtown businesses to highlight their presence while fostering an atmosphere of community fun in the downtown area. At this time, 16 downtown businesses have registered to participate in the event by obtaining musicians to perform at their business and create a walkable musical mile through the DDA district.

The success of this community event will bring awareness of downtown businesses and provide attendees an opportunity to enjoy a varied musical menu as they stroll through downtown.

It is our hope that Tuesday Tunes will become a repeated event and will also encourage businesses to plan and sponsor more community events.
