

Downtown Community Event to be Held in Grand Blanc - Tuesday, June 28, 2016

Grand Blanc, June 8, 2016 – The City of Grand Blanc Downtown Development Authority announces Tuesday Tunes on the Musical Mile – a community event designed to allow business owners to highlight their businesses while fostering an atmosphere of fun in the downtown area.

Participating businesses have secured musicians to perform outside of their business for the evening of Tuesday, June 28 between the hours of 6 PM and 8 PM. Attendees will be able to stroll through downtown and listen to many different types of music as they travel from business to business.

At this time, 15 businesses have registered to participate and span north to south from Center and Saginaw to just south of Grand Blanc and Saginaw. Participants will also be in place along Grand Blanc Road from Saginaw Street west to the Guidos plaza.

The DDA hopes that the success of the Tuesday Tunes on the Musical Mile event will encourage downtown businesses to plan and sponsor future community events.
